Our mission is to prevent the freezing and injury caused by extreme weather exposure to the homeless and financially destitute, with a special focus on homeless veterans by providing warming items so that they will survive the cold winter. In America, Nobody Should Freeze to Death!

We strive to educate the general population on the needs of the homeless. We have also been working with other agencies in the Youngstown, Warren and Sharon areas to reach as many people as possible who help care and provide for those who come out of rehab, prison, jail or who are just in need. While we have primarily helped in the winter months, we are looking at expanding on ways to help our homeless veterans especially in our off season.

Eligibility: Individuals/Families with low incomes, Seniors/Older Adults and Veterans.

Fees: None
