

Meeting Room Policy

The Hubbard Public Library has three meeting rooms to schedule library activities. Two meeting rooms are on the ground level and may be combined to form a large room with seating capacity of 159 (chairs only); 74 (tables and chairs); 37 (mercantile). The Schafer Conference Room is located on the second floor and can accommodate (17). As a community service, the Library makes these rooms available for use by nonprofit civic, cultural and educational community groups, for nonprofit purposes.

All decisions regarding the use of the auditorium are to be at the discretion of the Director/Assistant Director, subject to review by the Hubbard Public Library Board of Trustees.

The Meeting rooms, when not being used for library related functions, are available during regular Library hours free of charge.

If the meeting or program begins before or extends past the Library's regularly scheduled hours, a \$20 per hour fee will be charged. These fees are to be paid in advance and included with the room reservation form. When meeting rooms are not being used for library activities, they are available no earlier than 7:00 A.M. and no later than 10:00 P.M.

Groups may use the meeting room for private meetings or to present free programs for the general public. Programs must not interfere with the normal functions of the Library and must be non-soliciting in nature. Meeting room use shall not be publicized in such a way as to imply Library sponsorship.

Meeting room use, including clean up, must end before the Library's closing time unless previous arrangements have been made. The Library will provide the following equipment: tables, chairs, lectern, projection table, projection screen, and easel.

Each group must arrange available tables and chairs to suit the purposes of their meeting. Non-alcoholic refreshments may be served, however the Library does not provide cups, dishes, or utensils. Wastes should be placed in receptacles provided.

An extra fee may be charged if the group's use of the room results in the need for repair to library furnishings or equipment or if excessive clean-up is required by library staff. Imposition of this fee will be at the discretion of the Library Director.

No signs, posters, emblems, or decorations may be affixed or attached to the walls, doors, ceilings, or any portion of the premises.

Noise levels shall be kept to a minimum so as not to disturb library personnel or patrons using library facilities.

Use of a meeting room more than twice a month by a single group must be approved by the Library Director.

The Hubbard Public Library is not liable for injuries to people, damage to their property, or loss of property belonging to individuals or groups using the meeting rooms.

Procedure for Application of Meeting Room

Applications and Reservation Forms are available upon request at the Adult Information Desk.

Application for use of a meeting room must be made by an officer or representative of the organization at least (2) weeks in advance of the desired date of use. Applicant must be a TIPL library cardholder. Patron ID number is to be verified and entered on application.

Applications for use by any children's or youth group must be made by a responsible adult, affiliated with said group. Children's and/or youth groups shall have at least (1) adult supervisor for every (10) children/youth less than (18) years of age.

The individual who files the application for the meeting room must agree to assume full responsibility for any damages to the facility or equipment which may occur as a result of the group's activities.

If a fee is required for use of the room, payment is due with the room reservation form.

Please complete both the application and the room reservation form and submit by mail or in person to the Library Director at least two (2) weeks in advance of the desired date(s) of use. Applications will remain on file for one (1) year from date of approval. Meeting rooms may be reserved using the Reservation Request form for one year from the date of approval of a group's application.

Reservations for a regular meeting by the same group will be accepted no more than three (3) months in advance. Conditional reservations may be accepted farther in advance with the understanding that the needs of the library may result in rescheduling or cancelling the tentative booking.

A library related program may take precedence over other scheduled uses of the room. An attempt will be made to provide an alternative date or time for the group.

Reservations will be confirmed by telephone or email.

Program bookings appear on the Programs/Events calendar on the library webpage at www.beyond-books.org

Failure to notify the library of cancellations or changes in scheduling of meeting rooms within 48 hours of scheduled use may result in suspension of meeting room privileges.

Meeting/Program procedure

At the time of meeting/program, a representative of the group must notify the Librarian in charge so that meeting room may be unlocked. Likewise, this representative must also notify the Librarian in charge when such meeting/program has ended. The Librarian in charge will inspect the meeting room and assess its condition in regards to the meeting room policy.

If a meeting is scheduled before or after regular Library hours, prior arrangements must be made for the maintenance person to be in the building. Maintenance person is responsible for opening the building and/or for clearing the auditorium and locking up when meeting ends.

Meeting Room Application expires one year from date of approval.
